

# BAREFOOT REPUBLIC CAMP

## **Potential Internship Opportunities & Projects**

### **Audio Engineering/Music Production**

- *During camp -- Loading in and assisting all praise bands with their needs; mixing/running sound for our praise & worship and other large group gatherings*
- *During camp – assist or lead the teaching of our “Music production” and “making of the band” classes in our fully equipped studio*
- *Oversee and maintain our recording studio, ensuring gear is cared for, up to date, functioning, etc.*
- *Assist other creative arts interns/ volunteers in the creation of camp videos, songs, compilation albums, etc. as needed*

### **Business Management/Development**

- *Managing, recruiting and/or training volunteers*
- *Developing a staff training manual*
- *Researching, writing and/or submitting grants*
- *Generating a revenue model and growth strategy for a corporate retreat center*
- *Producing renderings, floor plans and/or cost estimates on future buildings and other facets of our development*

### **Marketing**

- *Developing a marketing plan with an emphasis on reaching middle to upper income demographics*
- *Developing a fundraising plan and event based upon an analysis of current community trends and competition*
- *Developing a strategic business plan permitting others to replicate our camp model on an international level*
- *Analyzing our camp’s economic impact on a rural community*
- *Producing a cost analysis and comparison between summer camping programs across the U.S.*

## **Mass Communication and Creative/Visual Arts**

- *During camp- daily creation of slideshows, videos, etc.*
- *During camp – Capture and document “stories”, post video and web blogs, update camp web site, facebook, etc .as camp progresses*
- Producing, editing and/or directing a camp promotional video
- Designing, enhancing, and maintaining two Barefoot websites
- Aid in the creation and/or updating of camp promotional materials such as flyers, posters, t-shirts, mini-magazines, and more.

## **Medical**

- *During camp – athletic trainers needed to assist medical staff*
- *During camp – nurses needed to assist medical staff*

## **Ministry**

- *During camp - serve as counselors/leaders throughout the summer and minister directly in the lives of youth*
- Aid in development of a bible study curriculum for summer camp focusing on the chosen biblical theme, while incorporating themes of racial and socioeconomic reconciliation
- Potential opportunities for large group speaking/teaching to the youth
- Aid in the planning/vision for a post-camp discipleship plan for campers (in partnership with local churches)

## **Social Work/Sociology**

- Researching the racial and socioeconomic demographics in the U.S. and relating this to the need for our program
- Focus research on the impact of camp on the campers, community, etc
- Aid in development curriculum for post-camp study focusing upon building Christ-like relationships between youth from different cultural, racial and socioeconomic backgrounds
- Helping to tailor the camp experience/activities to more effectively break down barriers of race and class
- Researching why non-profits are attracted to Nashville
